Interactive webinar

Wednesday January 27th, 2021
17.00 - 19.00 UTC

Mehmet Bayramicli is a double board certified plastic and maxillofacial surgeon from Istanbul. He is professor in Plastic Surgery since 2005 and currently chairs the Department of Plastic, Reconstructive and Aesthetic Surgery at Marmara University. He is past president of the Turkish Society of Aesthetic Plastic Surgery and co-founder of the Turkish Maxillofacial Surgery Society.

He gives lectures and courses in many national and international meetings mainly focused on the different techniques of rhinoplasty.

This interactive webinar will cover the main technical aspects of the preservation rhinoplasty and the guidelines to select the patients in the best way for this innovative procedure.

An evolution of the personal approach of Prof. Bayramicli to nose reshaping surgery, including structural open and closed rhinoplasty, is also presented.
